WELCOME FROM THE ADAM FOUNDATION

A warm welcome to the 30th Adam Summer School for Chamber Music. The Adam Foundation is proud to support the School, which provides talented young musicians with a stimulating environment in which to develop their musicality and technical skills. It has been immensely gratifying to see so many School alumni over the years establish themselves as professional musicians in New Zealand and around the world.

Whether as a participant, tutor, supporter, or member of the Nelson community, I hope you have derived great pleasure from a wonderful week of music-making. Best wishes to all involved in these highly anticipated final performances.

WELCOME FROM THE NEW ZEALAND STRING QUARTET

Welcome to the 30th Adam Summer School for Chamber Music – an incredible milestone!

We're delighted to have returned to the NCMA for eight days of rigorous musical training, coaching, and masterclasses. We're so grateful to the Adam Foundation, and all sponsors who make this School possible. With over 360 participants since its inception, including many returning multiple times, the School boasts a distinguished alumni contributing to the global music scene. We have loved working alongside our fellow tutors Stephen De Pledge and Elke Dunlop this year, and we are excited for our 26 students to showcase their incredible talent at the Finale Concerts. Enjoy!
